Source: Company report, PSHK

AIA recorded desirable growth last year. The main business indicators are better than our estimates:

- The value of new business (VONB) recorded high growth, up 27% yoy to USD1.188 billion, slightly higher than our estimate of USD1.12 billion (approximately 6% higher).
- Profit margin of new business rose from 6.4% to 43.6%, slightly higher than our estimate of 40% (approximately 3.6%
- Annualized new premiums climbed 17% yoy to USD2.696
- Embedded value increased 15% yoy to USD31.408 billion, slightly higher than our estimate of USD30.934 billion (about 1.5% higher).
- Strong growth in net profit, up 89% yoy to USD3.019 billion, slightly higher than our estimate of USD2.789 billion (about 8.3% higher).
- Strong return on investment, which increased 2.65 times yoy.
- 2012 full year dividend was HK\$37 cents per share, up 12% yoy.

AIA recorded sharp growth in 2012. The financial indicators outperformed than our estimates, especially new business value, which is the major indicator of value creating. In addition, as we expected in previous reports, the Group benefited from the improved investment sentiment and the return on investment surged 2.65 times yoy. Fair values of equities improved from net loss of USD2.181 billion in 2011 to net gain of USD2.328 billion in 2012. The development potential of insurance and wealth management business in Asia is huge, we estimate that Group will enjoy high growth in the next 6 years, especially the core insurance and wealth management business. With the bright performance last year, we give "overweight' investment rating to AIA and raised the EPS of next two years to HK\$2.3 and HK\$2.5, up 15% and 13.6%

Operating Profit

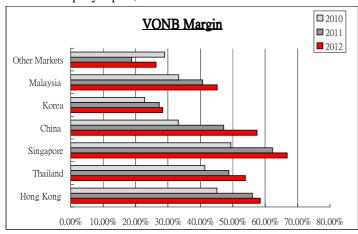

Source: Company report, PSHK

VONB

The VONB is calculated by the present value of estimated profit after tax in terms of sales generated by new business, less the operating cost supporting the new business, which is more than the required capital.

<u>Valuation</u>

Assumption for H Model:

7.00up	
Dividend in FY12	\$0.37 HKD
Long term Average Growth rate	6.34%
Short-term Average Growth rate	9%
Required Return	7.50%
Length of high growth period	6 Years

Source: PSR

We expect that the Group will grow at 9% annually in the coming six years and grow at 6.34% (rose 4bp) annually afterwards. Corresponding to a discount rate of 7.5%, we expect the insurance industry is over a period of high growth, after that, the growth rate will be with a linear decline. The Group distributed dividend of HK\$37 cents per share in the FY12. By the H model, we calculated the intrinsic value per share of HK\$ 36.50.

Corresponding to current P/B rate about 2.106 times and P/E ratio about 18.70 times, embedded value multiples of the new business is around 21 times.

Major Risk

European crisis continues to worsen, negative impact on global economy

The Group's growth slower than expected

China's economy is deteriorating

PHILLIP RESEARCH STOCK SELECTION SYSTEMS

Total Return	Recommendation	Rating	Remarks
>+20%	Buy	1	>20% upside from the current price
+5% to +20%	Accumulate	2	+5% to +20%upside from the current price
-5% to +5%	Neutral	3	Trade within ± 5% from the current price
-5% to -20%	Reduce	4	-5% to -20% downside from the current price
<-20%	Sell	5	>20%downside from the current price

We do not base our recommendations entirely on the above quantitative return bands. We consider qualitative factors like (but no stock's risk reward profile, market sentiment, recent rate of share price appreciation, presence or absence of stock price appreciation, presence or absence of stock price appreciation surrounding the stock, before making our final recommendation

GENERAL DISCLAIMER

This publication is prepared by Phillip Securities (Hong Kong) Ltd ("Phillip Securities"). By receiving or reading this publication, you agree to be bound by the terms and limitations set out below.

This publication shall not be reproduced in whole or in part, distributed or published by you for any purpose. Phillip Securities shall not be liable for any direct or consequential loss arising from any use of material contained in this publication.

The information contained in this publication has been obtained from public sources which Phillip Securities has no reason to believe are unreliable and any analysis, forecasts, projections, expectations and opinions (collectively the "Research") contained in this publication are based on such information and are expressions of belief only. Phillip Securities has not verified this information and no representation or warranty, express or implied, is made that such information or Research is accurate, complete or verified or should be relied upon as such. Any such information or Research contained in this publication is subject to change, and Phillip Securities shall not have any responsibility to maintain the information or Research made available or to supply any corrections, updates or releases in connection therewith. In no event will Phillip Securities be liable for any special, indirect, incidental or consequential damages which may be incurred from the use of the information or Research made available, even if it has been advised of the possibility of such damages.

Any opinions, forecasts, assumptions, estimates, valuations and prices contained in this material are as of the date indicated and are subject to change at any time without prior notice.

This material is intended for general circulation only and does not take into account the specific investment objectives, financial situation or particular needs of any particular person. The products mentioned in this material may not be suitable for all investors and a person receiving or reading this material should seek advice from a financial adviser regarding the suitability of such products, taking into account the specific investment objectives, financial situation or particular needs of that person, before making a commitment to invest in any of such products.

This publication should not be relied upon as authoritative without further being subject to the recipient's own independent verification and exercise of judgment. The fact that this publication has been made available constitutes neither a recommendation to enter into a particular transaction nor a representation that any product described in this material is suitable or appropriate for the recipient. Recipients should be aware that many of the products which may be described in this publication involve significant risks and may not be suitable for all investors, and that any decision to enter into transactions involving such products should not be made unless all such risks are understood and an independent determination has been made that such transactions would be appropriate. Any discussion of the risks contained herein with respect to any product should not be considered to be a disclosure of all risks or a complete discussion of such risks.

Nothing in this report shall be construed to be an offer or solicitation for the purchase or sale of a security. Any decision to purchase securities mentioned in this research should take into account existing public information, including any registered prospectus in respect of such security.

Disclosure of Interest

Analyst Disclosure: Neither the analyst(s) preparing this report nor his associate has any financial interest in or serves as an officer of the listed corporation covered in this report.

Firm's Disclosure: Phillip Securities does not have any investment banking relationship with the listed corporation covered in this report nor any financial interest of 1% or more of the market capitalization in the listed corporation. In addition, no executive staff of Phillip Securities serves as an officer of the listed corporation.

Availability

The information, tools and material presented herein are not directed, intended for distribution to or use by, any person or entity in any jurisdiction or country where such distribution, publication, availability or use would be contrary to the applicable law or regulation or which would subject Phillip Securities to any registration or licensing or other requirement, or penalty for contravention of such requirements within such jurisdiction.

Information contained herein is based on sources that Phillip Securities (Hong Kong) Limited ("PSHK") believed to be accurate. PSHK does not bear responsibility for any loss occasioned by reliance placed upon the contents hereof. PSHK (or its affiliates or employees) may have positions in relevant investment products.
